‘Together we are Europe’ mobile exposition’s route has been extended: Poltava will be another region to learn about how the EU assists Ukraine during the war

For the good of the high interest from visitors, it was decided to extend the mobile exposition of original artworks by Ukrainian illustrators on the European Union's assistance to Ukraine and Ukrainians amid Russia's full-scale war against Ukraine. On February 27, 2023, the exposition will visit Poltava and will be based in the Victory Park. As a recap, until now the exposition was seen in seven regions of the country – Kyiv, Lviv, Rivne, Khmelnytskyi, Uzhhorod, Odesa and Dnipro.

The exposition is part of the [all-Ukrainian communication campaign "Together we are Europe"](#), which the EU launched in August. The campaign aims to inform the widest audience of Ukrainians about the comprehensive EU support, solidarity and assistance, which European partners have consistently provided to Ukraine from the very beginning of a full-scale Russian invasion, and which is constantly increasing.

[A series of drawings](#) created by nine Ukrainian illustrators presents a wide range of assistance that Ukraine and Ukrainians receive – both within the country and in the EU, where over 8 million of Ukrainians escaping the war currently live.

The exposition shows the extent of the assistance of the European Union, its Member States and Financial Institutions – Team Europe, who quickly switched their decision-making mechanisms regarding financial, humanitarian and military aid to Ukraine to a ‘wartime mode’. Starting from February 2022, Team Europe has provided assistance to Ukraine in the total amount of almost EUR 67 billion - including 12 billion in military assistance via the European Peace Facility and by Member States directly.

“Our mobile exhibition continues to attract a vast public. It is my pleasure to prolong its tour across Ukraine, and an honour to have it now in Poltava, in the very heart of Ukraine” – said **Remi Duflot, Deputy Head of the EU Delegation to Ukraine**.

The exposition opens in partnership with the Poltava City Council and will last until March 12, 2023.
