#TogetherWeAreEurope

EU strategic partners in supporting Ukrainian civil society organisations

- International Charitable Organisation 'East Europe Foundation'
- International Renaissance Foundation
- Institute for Economic Research and Policy Consulting
- NGO 'Initiative Center for Promotion of Activity and Development of Public Initiative 'Ednannia" (ISAR Ednannia)
- Charitable organisation
 'Network of 100 Percent Life Rivne'
- European Endowment for Democracy

The #TogetherWeAct communication campaign, implemented by the Delegation of the European Union to Ukraine, aims to highlight the EU's unprecedented and unwavering support to Ukrainian civil society organisations and media.

Since the first days of the full-scale war, this support has enabled them to protect human rights, advocate for socially vulnerable groups, increase the transparency and accountability of public authorities, and guide the implementation of reforms on the path to EU integration.
