The event will be held at The European Square, featuring an information tent of the EU Delegation to Ukraine and the CSO Alley ‘Solidarity’, several thematic interactive zones, a photo and lounge area, public discussions on the role of civil society and media in reforming Ukraine and its European integration strive, presentations and other activities, such as artistic masterclasses and psychological induction tests for children and adults. #TogetherWeAct Fest - Vinnytsia continues a series of regional events as part of the ‘Together We Act. Together we are Europe’ communication campaign by the Delegation of the European Union to Ukraine. The campaign aims to better inform Ukrainians about the unprecedented and unwavering support that the EU has been providing to Ukraine, in particular to civil society organisations and independent media, since the first days of the full-scale war. This support has enabled CSOs and the media to defend human rights, protect the interests of socially vulnerable groups, strengthen public scrutiny and accountability of government, and promote reforms. The first key public event of the campaign, #TogetherWeAct Fest, took place in Kyiv on May 25 and brought together more than 3,000 visitors, #TogetherWeAct Fest-Khmelnytskyi was held on June 22, and Rivne hosted it on June 30.

Media representatives are welcome!
